## *Central Europe in the EU*

March 31–April 8, 2007

Prague, Czech Republic

INSTITUT PRO EVROPSKOU POLITIKU

**EUROPEUM**

INSTITUTE FOR EUROPEAN POLICY

- Come to Prague to learn about the European Union.
- Study about the main challenges of the Central European Countries in the EU and its institutions.
- Debate challenging ideas and viewpoints with the EU policy researchers and analysts.
- Learn outside the classroom: experience the magnificence of Prague – one of the richest cultural capitals in Europe.
- **EUROPEUM Institute for European Policy** associated with the **Jean Monnet Centre of Excellence in European Studies at the Faculty of Social Sciences of Charles University** have launched a spring school to learn about and discuss the way of the new EU members into the European Union, and the current political challenges the new EU member states are facing.
- If you are an **undergraduate/graduate** student of **European studies, political science, international relations, economics, sociology, and humanities** interested in the current and future developments of European Union – this Spring School is just for you!
