COURSES FOR PHD STUDENTS

We have started the recruitment for the first courses as part of the common educational offer of 3 partner universities: Poznań University of Technology **(PUT)** – Poland, University of Cantabria **(UC)** – Spain and University of Catania **(UNICT)** – Italy.

The offer is addressed to doctoral students and will be available in the summer semester of 2023/2024.

Course selection criteria

- Academic calendar: summer semester, February 1st – June 30th.
- Teaching modality: online courses only, self-study (asynchronous) and consultation meetings (synchronous)
- Teaching material: recorded sessions and others
- ECTS: 1 (25hrs)
- Study level: PhD
- Limit of participants: 30 (10 per university). Application does not guarantee enrolment in the course.
- Assessment methods and criteria: any, it depends on the decision of lecturer.

Enrolment rules

- The order of applications is decisive (the rule: first come, first served).
- To sign up, go to the website https://phdschool.put.poznan.pl/ster/courses select the lecture you are interested in and register using the active form.
- Once the recruitment process is complete, your home university will inform you whether you have been accepted. Then, your account on the Moodle platform will be created.

Satisfaction survey

- All courses will be assessed. The opportunity to complete the satisfaction survey will be available until June 30, 2024.

Certificates

- After the successful completion of the course, the university organizing the course prepares a certificate of attendance/participation for doctoral students. The certificates are sent to the participant's e-mail address.
