STRATEGIC GOALS

Objective 1: UC International Development Cooperation Program

Objective 2: Mainstreaming International Cooperation into all UC levels (lecturers, administrative staff and students)

Objective 3: Promoting University Development Cooperation

Objective 4: Coordination with other cooperation agents as official representative

Objective 1: UC International Development Cooperation Program

Lines

- Reinforce the UC commitment with University Development Cooperation (UDC).
- Establish a coherent and comprehensive framework to develop different actions in the field of international development cooperation, increasing the participation and coordination.
- Contribute to promote Fair Trade at UC.
- Get additional and stable sources of finance to guarantee the implementation and continuity of the UDC programs.

Objective 2: Mainstreaming International Cooperation into all UC levels (lecturers, administrative staff and students)

Lines

- Coordination, support and promotion of formal initiatives at grade or post-grade level.
- Promotion of Research for development.
- Encouragement of technical assistances and consultancies in development projects.
- Raise public awareness and educate about development issues.

Objective 3: Promotion of University Development Cooperation

Lines

- Transfer knowledge and technology in order to promote actions linked with institutional strengthening of universities from developing countries.
- Coordination, promotion and support of these actions.
- Improvement the UC role at institutional networks and working groups in the fields of UDC and IDC, at national and international level. Specially, with the CRUE (Association of Rectors of Spanish Universities).

Objective 4: Coordination with other cooperation agents as official representative

Lines

- Strengthening the dialogue between institutions: public and privates, civil society, etc in order to share information and good practices.
- Create new alliances and strengthen the current ones in order to improve the UC capacities in the field of university development cooperation.
- Promote joint actions with other agents, at different levels.

2012 OBJECTIVES

- Implementation of Strategic Plans:

UC Strategic Plan for
Development Cooperation

UC Fair Trade Plan

- Develop Call for proposals of university development cooperation projects.
- Encourage new actors to work on UDC.
- We already are FAIRTRADE UNIVERSITY
